Street Address: _____ City: _____ State: _____ Zip: _____

Appletree School encourages all parents, guardians and/or persons responsible for financial obligations to read the following contract thoroughly. A student is accepted for enrollment when this contract is signed by either the parents or legal guardians of the child, as well as by Appletree School. In addition to the signed and completed contract, a Registration Fee must be paid to secure enrollment (See Tuition and Fees Addendum).

As a parent/legal guardian of the student above, I/we agree to the following required conditions of enrollment and re-enrollment at Appletree School. I/We understand and agree:

1. To support the mission of Appletree School by complying with and being subject to the rules, regulations, and policies set forth in the Parent Handbook, for the current school year and any and all updates in future years while my child is enrolled.
2. This is a continuous enrollment agreement that will renew automatically (subject to successful completion of the current academic year and recommendation of Appletree School) for each successive school year through the 3rd Grade or last grade offered based upon availability of the Academy program. Registration Fees will be billed on the Registration Due Date as noted on the Tuition and Fees Addendum.
3. To pay all tuition and applicable program fees set forth in the Tuition and Fees Addendum for this school year and all future years while my child is enrolled. Initial tuition will be prorated if our child is offered admission after the start of the school year.
4. The Tuition and Fees Addendum will specify the start and end of the school term as well as the annual tuition adjustment date.
5. Once this agreement is accepted by Appletree School, we accept the obligation to pay the full tuition for each academic year for which our child remains enrolled, subject to the withdrawal policy in the Parent Handbook.
6. The first tuition payment is due August 1, before the start of the school term, or prior to the first day of attendance if the term has begun.
7. We will be enrolled in the default monthly payment plan through a tuition management service unless we choose to select a Discounted Plan Option as noted on the addendum. To change our payment plan, we must notify the Appletree's Business Office 30 days prior to the first payment due date for the school year.
8. Tuition and student enrollment will be according to the expected progression of our child's academic level unless otherwise determined by Appletree School Administration and agreed upon by us, as parent/legal guardians.
